4-Day Raft/Hike: An Inn-Based Adventure

2023 Trip Guide

Experience the thrill of Whitewater Rafting, stunning views of Columbia River Gorge hiking, all while returning to the comforts of a gorgeous mountain inn.

Itinerary

4 DAYS, 3 NIGHTS

Day 1- Welcome!

Meet in Portland and take a gorgeous 1.5 hour drive along the Columbia River Gorge with a stop at the famous Multnomah Falls. We head to our mountain inn, where we will base our adventures. Here we will have our infamous Welcome Dinner while we cover what to expect for the next 3 days. This will include our Safety Briefing, Leave No Trace principles, and what to expect on your hiking and rafting trips.

Day 2- Day Hike

We'll have a hearty breakfast and then head up to our trailhead just a short drive from the inn. We'll hike one of this area's beautiful trails and enjoy views at every turn. We may even see glimpses of Mt. Hood, Mt. Adams, Mt. St. Helens, and even perhaps Mt. Rainier. Views of the Gorge may be on our hike, or an alternative hike takes us to breathtaking waterfalls! We will have lunch on the trail overlooking something amazing! Night 2, we will return to our inn for a beautiful dinner and campfire.
